## An Atrocious Crime.

CHATTANOOGA, Aug. 14.-A most committed yesterday near Point Burn- life. side, Ky., on the Cincinnati Southern railway. Three men named James Claiborne and James and Joseph Randall, drew their month's pay the day before, and it was reported that the Randalls had a large sum from bank, They worked on the road and camped in the woods.

Last night Frank Stagle and an accomplice crept into camp and cut off the heads of two of the sleeping men ready in time. and riddled their bodies with bullets, and partially cut off the head of Claiborne. They then robbed them and threw the Randall brothers over a cliff one hundred feet high, and, while about to throw Claiborne over, were frightened off. He lived long enough to give Stagle's name.

The murderers fled and separated. Stagle was captured to-day at Monticello, Ky., and returned to Point Burnside. It is reported that a band is organized to mob him. A large reward will be paid for his accomplice's capture. The murdered men were well-to-do and quite popular.
